Technical Specifications
 1. Design and manufacture refer to ASTM B86 34
 2. Face to face to NGS Standard
 3. End Connection to ISO 228 1
 4. Inpadi on and test to API 598

Performance Specifications	
Normal Pressure	1000PSI
Seal test	1.8 MPa
Gas test	0.6 MPa
Working Temperature	-29~150 °C
Medium	Water oil & gas
